to burn for some hours. There is great complaint among the farm ers having contracts with the cappery of their tomato vines dying without apparent cause. The disease if disease it is, is not confined to either the early or late planted, but affects all about alike. In some instances as many as one-third or one-half have died This is a very serious loss, and should it continue will curtail the work to a considerable

The flour house and stable of the McGrew Milling Company at Kansas City, in charge of Mr. B. A. Ireland, situated near the C. & A. depot, were burned in t Monday, about noon. The disaster was caused by sparks from a passing locomotive. The loss on the

flour house is partial and will not amount to more than \$100. This is covered by insursuce. The damage to flour is about \$1,300; insured for \$500. The stable is a total loss of about \$200, no insurance. It is thought that the C. & A. railroad company can be made to pay the entire loss, as it was brought about directly by their engine. Oliver Wendell Holmes, may his shadow

ever grow less, tells us in his charming book, "The Professor at the Breaktast Table,"that:-"The one thing that marks the true artist the clear perception and a firm, bold hand in distinction from that imperfect mental vision and uncertain touch which gives us the feeble pictures and the lumpy statues of the mere artisans on canvas or in stone." This keen, concise, yet incomplete analysis comes to our mind when we remember the collection of Mrs. Sue W. Conkling's paintings 2:30 to 5:30 in ernoon. It was no Messrs. Royle's this week. One has but to Sunday, which is onsonance with the views of a majoritpeople of this goodly specialty in art Mrs. Conkling has made no mistake. The "divine affiatus" of the poet is not seen in the mere mechanical arrangement better for it. Theme for play and a like spark which goes from the heart of the even to a sob. So Mrs. Conkling's painting the firm bold hand,' which enables her to execute with mechanical skill, but it has the greater charm of something without which two grand old lions; we have made them picture it seemed like meeting two old friends.
